

# Combining our two favourite things at Houlton

We love all things education and branding at Houlton and so what better way to combine the two than to support St Gabriel’s CofE Academy’s first ever girls football team and sponsor their team kit enabling the girls to play with pride of place on their tops.

The project is just one of the ways we are working with St Gabriel’s through the live of the school with other examples including road safety and active travel as well as through governance at all levels of the school and Trust.

St Gabriel’s was the first school delivered by U&C at Houlton, opening in 2017 and expanding with an extension in 2022.

“We’re incredibly grateful to Urban&Civic for their generous sponsorship of our girls’ football kit this year. Their support has not only provided our team with a fantastic new kit but has also helped to inspire and empower our players. We look forward to seeing the positive impact it will have on the girls and our school community.”
